Mark Stewart has written more than 100 sports books for kids. Stewart graduated from Duke University in Durham, North Carolina, with a degree in history. He lives with his wife and daughters in New Jersey. Mike Kennedy has contributed to more than 50 sports books for kids. He received an English degree from Franklin & Marshall College in Lancaster, Pennsylvania. Born in New Jersey, he lives in Colorado.

This book is written for kids, so it's fairly superficial and I didn't get much out of it. I read it in about 10 minutes. But kids who are interested in both NASCAR and safety will probably like the book, so

I'm giving it 4 stars for that audience.
