REAL DEAL COWGIRL: Jessie Quinn And Dejni Adventures

Synopsis

Jessie Quinn's life turned up side down when she was forced to leave her home, the Lazy Q Ranch, and move into town. All Jessie wanted was to go back home to the ranch, to her horses--- and her wish did come true. But not the way she wanted. Not at the high price it cost. Her happiness was stripped away in one fleeting moment. It was never clear who saved who, but Jessie and Dejni came together by means of a bittersweet, haunting situation mixed with determination, luck, and a love so strong it bonded them together for a lifetime.

Customer Reviews

This was a good relaxing book to read thoroughly enjoyable. I was engrossed in it, but could put it down and walk away.

I really enjoyed this lighthearted read. Getting me back to the real world. Since I grew up with horses that made it even better!

It was very good!

Love this book by Rhue P. McDonough. Being a producer and director I can see this coming to the big screen or just dvd. This is a young girls adventure story but suitable for all ages male and female. If you can't be with horses in real life you can live it via the big screen. Being a horseman myself and have worked with young horses, I can totally sympathise and relate to the character in this story. Next book.

This wonderful book has something for everyone. The story of a young girl who's journey back from a personal tragedy depends on her determination to be a real deal cowgirl and her love of horses. The story is told with great empathy for her situation and the fascinating detail of life on a ranch and horse craft are written with the authority of personal experience. I thoroughly enjoyed this book and recommend it to readers of all ages.

Although I've lived in Texas since the 70's I've never been on a horse or to a ranch. Reading this book makes me want to do both. It's a wonderful book of a girl coming of age and her feelings for a foal that she raises. It's heartwarming and refreshing. Although this is a YA book I found it just as enjoyable to read as an adult. Girls and women of all age will enjoy this book!

This book is a wonderful young adult story of a girl defying the odds of being happy...through some trials & tribulations. The author takes the time to give each character in the book realistic emotions. Real Deal Cowgirl is a great read for adults & young adults alike.

This a terrific book! I recommend this for any parent looking for a clean & innocent read. I would recommend this to anyone. "Thumbs Up"
