Best Sellers Rank: #850,029 in Books (See Top 100 in Books) #49 in Books > Reference > Writing, Research & Publishing Guides > Writing > Poetry

Customer Reviews

This book combines the most valuable results of past experience and of present theory, and is at the same time an anthology and a history of American literature.

Good old school book of poems.

I recommend this book especially to young people I know because of it's great cross-section of earlier American writers. It is a bit dated but great fun to read, this is the third or fourth copy I've picked up. Great reading on the exer-cycle !
