Meet the Author Bobbi Brown is an internationally renowned makeup artist, author, and the founder of Bobbi Brown Cosmetics and Bobbi Brown Eyewear. In 1991, Bobbi Brown launched 10

brown-based lipstick shades created to fill a void in the market of simple, flattering and wearable makeup. Brown's unique approach to cosmetics caught the attention of cosmetics empire Estée Lauder Companies, Inc., which acquired Bobbi Brown Cosmetics in 1995. Today, Bobbi Brown Cosmetics has a global presence in more than 60 countries. She lives in New Jersey.

Bobbi Brown, internationally acclaimed makeup artist and best-selling author, is the founder of Bobbi Brown Cosmetics and Bobbi Brown Eyewear. She lives in New Jersey.

I generally loved the book. Many people complained that the book contains all the same basic advices we already know and there's nothing new to learn. Well, the problem we have is that we read all that books but not necessarily implement those advices. They look obvious, boring and insignificant. But really trying to change your life little by little one step at a time makes all the difference. For me it's not about finding new information for the sake of learning, when learning process itself is a form of procrastination. I loved the way information is structured in this book, so I can easily decide what is the one step I can try today to change my habits. There are so many things I need to change. As a visual person I loved photography.

Same information as her other books, but with a healthy food spin. Wish I had waited until the cheaper or soft cover came out.

Love Bobbi Brown, but this was not her best book. This was more of a "hardcover" magazine. Not much depth, and less useful advice compared to her other books. Kind of disappointed.

Picture book...I was expecting more content after hearing Bobbi Brown on a radio show.

Nothing new here - save your money.

Nothing new here. Basic advice that anyone with an interest in Health and Nutrition already knows.

Great content and illustrationsIts an important message beauty from the inside out for all women to hear

lots of good information. Tips on beauty, etc.I am really enjoying it. Thank you.
