# Mug Cakes Chocolate: Ready In Two Minutes In The Microwave!

## Synopsis

Satisfy that chocolate craving as soon as it strikes with Mug Cakes Chocolate - over 30 recipes for quick and delicious chocolate cakes that require minimal effort and time. Mix a simple batter in a mug with a fork, using whatever ingredients you have in your cupboard, microwave for a few minutes, and zap! You have a heavenly, gooey cake to indulge in all by yourself. Mug Cakes Chocolate shares recipes for all varieties of chocolate cakes, from the simple dark chocolate; banana and chocolate; and chocolate orange, to cakes which push your mug-cake-making skills to the max, like the swirl marshmallow or marble cake. Use your chocolate favorites of Nutella, Crunchie bars, or Oreos and make irresistible cakes in a matter of minutes. Ideal for one (or maybe two if you're feeling friendly), these cakes are perfect for when you're low on ingredients or don't want the effort of making a large cake that takes an hour to cook. When you're looking for a quick treat - in front of the TV, for kids after school, or for an impromptu dessert - Mug Cakes Chocolate will have you sorted. With a cute design and photographs to show you that these cakes really do turn out looking scrumptious, all you need is five minutes to spare, a microwave, and a serious cake craving!

## Book Information

## Customer Reviews

Sandra Mahut is a food stylist and writer. She has authored several baking cookbooks and writes regularly for international food publications.

The recipes are pretty easy and most are made in one mug, so less mess. There is one I've made so far that required separate bowls which was more complicated than I wanted, but there are so many to try and they are all yummy! The majority of recipes require 1 egg, 2 TBS super fine sugar, 4-5 TBS of flour, 1/2 tsp baking powder, and about 1 oz of various chocolates, plus lovely add-ins like raspberry jam, caramel sauce, marshmallow, etc. I'm very pleased with this book!

Fun and delicious recipes.

Tasty and easy to make. The grandchildren even came over several times just to make them.

Although many of these can be looked up or found on pintrest it was a nice gift to have them all in one location. Perfect gift for college students who have limited means for baking.

Love the book but would like less chocolate and more other flavors
