Customer Reviews

Great comic I just fell upon this series one day and have been looking for delux collection for awhile.

Would recomend to anyone who loves sci fi

Better than most GN storylines, but some times the pace slows down to glacial. Worth a read if not a purchase.

Whoa!!! I love this series. The story and the art is so good. I can't wait for the next release.

Love love love this series!!! The characters are written so well and the dialogue is fantastic!

I'm happy

This story continues and develops about the revival of the dead, the cause of which is unknown. Those brought back to life are called Å¢Â ÃœreviversÅ¢Â • and the rest of the world is understandably wary of them. There are a lot of different characters quarantined in this small town in Wisconsin and it is sometimes difficult to remember who is who. The scene changes from one to another far too quickly (maybe itÅ¢Â ™s an age thing!). Without Volume 1, this will all seem a bit mystifying. Good characterisation, particularly of the Cypress family, and illustrations of a high standard make this a compelling tale. Recommended.
