Customer Reviews

There are very few Zimbabwe books available and even fewer that are current. This book is a little out dated but for the price it is a steal. Tons of great maps and park information. Hotel details may be inaccurate as many have closed.

The book looks fine and is compliant with what I was supposed to receive.As such, no particular comment. Thanks.

Utilized this book for an overseas adventure that helped me learn more about Zimbabwe, good resource to have and use.

When It was White Rhodesia it was the Bread Basket of Africa. Now that its black Zimbabwe its the Basket Case of Africa. Race is real and it matters.
