Along Came A Ghost: A Beechwood Harbor Novella (Beechwood Harbor Magic Mysteries Book 5)

Synopsis

Praise for the Beechwood Harbor Magic Mysteries series: “Now THIS is what a supernatural cozy should be! The lead character, Holly, has real-life issues that go beyond the world of witchcraft and make her a girl that we can all empathize with. The story is paced perfectly and the characters and setting have great dimension and depth. Ms. Garrett did an excellent job of capturing my attention and holding it throughout the entire book without distracting me with info dumps or rabbit trails. She ended it perfectly and I can’t wait to read the next one! I’m picky about my reading material, so it’s great to have finally found another supernatural series worth reading!” ~An Reviewer “Danielle writes with a great sense of humor and her characters are truly fun to get to know! I look forward more books from her.” ~An Reviewer “I wish it would never end. I can’t put it down and the next thing I know I’m done. I can’t wait for the next book.” ~An Reviewer Along Came a Ghost When a relaxing weekend is cut short, Holly and friends scramble into action to keep a mysterious new ghost from terrorizing their peaceful life at the manor. With the help of the new ghost whisperer in town and her quirky sidekicks, it’s a race against the clock to unlock the secrets of the past. *** Along Came a Ghost is a novella length work set after the events of book four, Witch Way Home. Perfect for fans of Amanda M. Lee, Kristen Painter, and Angie Fox. Come join the fun of Beechwood Harbor, the little town where witches, shifters, ghosts, and vamps all live, work • and mostly • get along!

Excellent short story, might be short but plot and character development is perfect . I cannot wait for Scarlett to get her own series

I highly recommend A Long Came a Ghost to anyone who enjoys paranormal mysteries. I love how the characters are individuals and have distinct personalities. I am really excited about the new series with Scarlett and her ghost friends. Thank you Danielle, I eagerly await your next book!

I loved the story and the new character Scarlett. I can't wait for the next book because I love Danielle's writing style, her characters are awesome, and everyone completes each other. Highly recommend this series!!

Love love love this series. Holly is fantastic and her housemates are so funny! Even her ghost houseowner is great. This whole series is fantastic, buy it you will not regret it!

This had all the ingredients I look for in a book, a great storyline, wonderful characters, a steady pace with a happy ending

I really enjoyed it. Can't wait for more. I liked the spin-off tie-in, and hope she and Holly cross paths again.

Nicely done. Good lead in to "The Ghost Hunter Next Door." Thoroughly enjoyed it.

This story a light, cozy read. The characters are likable individuals dealing with ghosts, regular life, and wierd circumstances that crop up. My only complaint is the book was too short.
