Customer Reviews

Interviews and pictorial with Cindy Margolis. Interviews with Bill Maher, & Dr. Drew. Centerfold pictorial of Laura Croft of Jacksonville, FL.

It was an ok issue but then I got tired of seeing it and sold it out.

Cindy Margolis was one of the first major internet celebat one time she was the most downloaded woman (That's her claim anyway)But, after years of talking the talk she arrives in the pages of the July 2008 Playboy magazinel'm a little shocked they even made her a deal since they are strange about ageShe is hands down one of the real deal MILFS to ever do PlayboyIt's a solid stand out issue for what it is 8/10

Playboy Magazine July 2008 is 140 pages and has some decent article to it. Some of the features in the magazine are Religion 101 by Bill Maher, The Shameless life and Sensational Death of the Sleaziest Man in Hollywood, and A Better Way to Do Business. Lewis Black is featured in the 20 Questions and Dr. Drew Pinsky is your Interview of the Month. The Pictorial are Cyber Girl 2008, Monroe & Moran, and Playmate of the Month: Laura Croft and Cindy Margolis. My biggest beef with this edition, I wish there were more nude pictures of Laura Croft in this magazine. Playboy

Magazine July 2008 gets an A+.
