Pensionless: The 10-Step Solution For A Stress-Free Retirement

Synopsis

As seen in The Washington Post, US News & World Report, and Yahoo! Get the most out of your retirement! If you're one of the millions of Americans without a pension plan, your retirement years might seem like a huge financial question mark. Pensionless, by U.S. News Senior Editor for Retirement Emily Brandon, addresses the retirement benefits that are available to you, how to use them correctly, and how to avoid potential pitfalls. Learn how to avoid surcharges on your Medicare benefits, how to increase Social Security and employer-sponsored benefits to help pay for retirement, and how to minimize costs and boost the value of your existing retirement benefits. And you'll learn how to tweak your lifestyle now so that you can live well in retirement without the security of a pension. Inside you'll find ideas on how to get more Social Security by claiming benefits twice, ways to minimize fees and avoid penalties on retirement accounts, and how to inflate 401(k) balances. Featuring an analysis of the significant changes made to Social Security in the recent federal budget, Pensionless will help you enjoy those retirement years you've worked so hard for.

Read some of it and are grateful for the information. Thanks for having it available.

Comprehensive yet simple to read. Very helpful. Learned so much.

worth the read time. good planning tools

Gives you the update on what you need to know.

Nice...

This book is for anyone retired or will be retired in the future. I contains things that I wish I had known in preparation for retirement and, now, that I am retired gives me future ideas and directions. It is WELL WORTH the money that this book costs!!

ok but, a bit redundant

Very Basic Material.
