# Complete Concerti For Solo Keyboard And Orchestra In Full Score (Dover Music Scores)

## Synopsis

Bach's life was "a searching for all that was best in his art to refine it in the fire of his genius." — Grove's Dictionary of Music and Musicians

Bach's mastery of rhythm and harmony, inventiveness, and genius for composition produced some of the richest and most beautiful music of all time. Those qualities are strikingly evident in his early concerti, which are among the most recorded and performed works in the baroque repertoire. This easy-to-read volume reprints, complete and unabridged, the master's seven complete concerti for solo keyboard and orchestra from the renowned Bach-Gesellschaft edition, still considered the primary source for Bach's music. Composed in Leipzig (c. 1735), these elegant works are almost completely based on earlier extant or lost concerti by Bach for violin and wind instruments. The concerti reproduced here in full score include Concerto in D Minor (BWV 1052), Concerto in E Major (BWV 1053), Concerto in D Major (BWV 1054), Concerto in A Major (BWV 1055), Concerto in F Minor (BWV 1056), Concerto in F Major (BWV 1057), and Concerto in G Minor (BWV 1058). Musicians, students, and Bach devotees will applaud this clearly printed, wonderfully affordable playing edition of classic compositions by the supreme master of the baroque.

## Customer Reviews

Composer, organist, and harpsichordist, Johann Sebastian Bach (1685-1750) was a major figure of the Baroque period. An accomplished violinist, he created many popular works for the instrument.

This is great for any pianist, composer, musician, to realise the how great Bach's writing is. The score is nicely laid out and will be well preserved. Possibly the only setback is there is no fingering markings, but I'm not complaining: It's Bach after all.

If this is the kind of thing you can imagine in your Library, you won't be disappointed.

I am really looking forward to being able to complete a proper review; I ordered this on November 4 and it is now December 9 and it still hasn't arrived!

I'm extremely happy and satisfied with this book! I open it and play from it (either the Harpsichord part on my piano or the Orchestra part on my Violin) every day. The print is crisp and clear and not too small. I am not surprised that this book is a wonderful score, being that I'm always satisfied with Dover books. I trust that this book is sure to please all (or most) of those who buy it. This book has strengthened my opinion of Bach being the greatest and most genius composer and I learn from it every time I look over its contents. My next book purchase will certainly be by Bach and a Dover publication!

No more comments... this is part of Bach production! Fantastic and in an original format!
