Kristi is an AMAZING artist! My MIL, who is an amazing painter, also thought so too. I love how this book has a section in the back explaining the meaning of the pentagram and a section for testing your medium. My daughter loved the descriptions on the back of each picture that told more about the figures in each drawing. I had a difficult time with the extent of the details though. There were so many lines it made it too busy for me and hard to know how to color it in. I would really like to see a different subject matter with a little more simplicity from this artist. I'd also like to see the people smile a little more. Kristi should definitely make more coloring books!

Such great detail with all of her cute little witches. Perfect purchase for this time of year. I love the little stories about each of them too.

Amazing detail and artwork! Definitely a great purchase!!

What a beautiful coloring book! I'm very pleased.

Intricate and beautiful! A joy to color!
