Namibia Handbook, 5th: Tread Your Own Path (Footprint Namibia Handbook)

Synopsis

One of the world's last true expanses of wilderness, Namibia is home to the highest sand dunes and the oldest desert, and it's the only place you might catch a glimpse of the rare black rhino or of desert-dwelling elephants. With a wealth of animals and birds to get psyched up about, this diverse landscape is perfect for the environmentally conscious traveler with a sense of adventure. Footprint's fully revised 5th edition helps you stay ahead of the game in Namibia's national parks and provides thorough listings on where to sleep and eat, and how to get around.

Book Information

Customer Reviews

Lizzie Williams has lived and worked in Africa for 12 years, she is the co-author of Footprint South Africa and the author of Footprint Kenya and Footprint Tanzania.

This handbook was everything i had hoped it was. If your heading to Namibia and don't have this book, your doing yourself an injustice!!
