This has been a beautiful calendar with no duplicate photos and mostly of horses untacked and enjoying a large variety of natural backdrops. I've already purchased the 2017 Horse calendar, as well as the Cat version, and I'm sure that neither will disappoint. I love these Gallery calendars with their high quality materials, photos, and unique display method. I've had the Island and Bird Gallery calendars as well, and they're all a pure joy to reveal the newest photo every day. My only criticism is that I rarely read the commentary on each page because I literally need a magnifying glass to do

so. With so much unused space in the upper margin, why do they use a microscopic font?

This is the second year that I ordered the Horse page a day calendar! I was so impressed with the current year daily pictures I had to order 2017! I am a horse lover and enjoy the beauty of this animal. The pictures are outstanding! The photography is so clear and refreshing depicting the freedom these horses enjoy in each scene! A great gift for horse lovers! This is NOT a tear off type; after each day pic is done it is placed at the back of the pack and the new day pic will appear. The pack reverses at mid year!

Great photos: Make sure you order the 2017 edition!!! I accidentally ordered last year's and when I wrote to refund, all they said was, "Well you ordered it " They need to put in red that it's 2016, as there are so many calendars it's easy to overlook. I just got ANOTHER 2016 horse calendar in the mail! Who is sending this? Am having hard time finding refund info. Be aware of the YEAR you want!

I buy this calendar every year for my office - sometimes I get islands, dogs, horses, etc. But every time I get it I am stunned by how pretty the photos are each day. The quality is like an actual photograph, so much nicer than regular calendars. Plus, it comes with a clear stand for your desk.

I thought this was a tear off a page a day calendar. It is so heavy and bulky, it's always falling down. I am so frustrated with it, it is now in the trash. I would never purchase this again. The pictures are pretty but as a calendar, I found it useless.

Overall it's a good calendar. Last year's images were more stunning with many ending up decorating either my friend's or my wall. This year they have been pretty but not near as magical.

Get this every year for my Dad who looks forward to it and otherwise does not like receiving gifts. He's a practical guy and a horse lover.

We have been getting this from Workman Publishers for years now. If you love horses how can you not love this 365 day calendar. We feel the same about their dog calendar as well.
