Good second book in the Hawks MC series!! liked Griz & Deanna together. When there was angst it was very short-lived & when they had sexy times it was descriptive & panty-melting. And when Swan was included, it was pretty dang cute. Very curious to see what's going on with Pick, Josie & Billy. With the information that was revealed in the book about Pick, we might have us an interesting (& totally HOT) book coming in the future! Woot-woot!! Not feeling Travis & Vi that much. When Vi talked to Deanna about how when they were out in Melbourne & he didn't shut down two of his

wh**** ... Ah, hell no. I realize that he has now given up the wh*** business & now just focuses on construction but I'm still leery of that guy. Looking forward to the next book in the series, Black Out. Finally, Blue will get his much deserved HEA! :)

ABSOLUTELY HYSTERICAL-- I read the 1st book in "Open Road: A Biker's Anthology" about "Wildcat" Zara but it was her best friend "Hell Mouth"- Deanna that I truly loved... Climbing out is about Deanna and she is incredible. She's sassy and a fighter but has enough vulnerability for you to want to hold her and tell her all will be good. My FAVORITE scene is the bedroom scene with her and Grady and the vibrator... That alone is worth buying the book.. I hurt I laughed so hard.. I think I even blushed :)... It is heart warming to watch how Grady and Deanna come together and actually work and building this relationship. They are open and think before they say how they fell (ok Grady blew off one time he should not have) but they want this and fight for each other... This is one of those books I will read more than once.

The Hawk's MC have a language of their own, no talking required. I'd hate to be at the wrong end of one of Griz's icy stares, or even worse make the mistake of messin' with his woman. The brotherhood is strong and those bada\$\$ bikers will do anything for each other and their women. It works both ways, their women will do anything for the brothers. It's pretty funny to read the hilarious conversations the men end up hearing as they perform their guard duties protecting the women. I'm sure they turn it up an extra notch just to get a rise out of them. The characters the author has created are very 3D with many layers that I look forward to unraveling in future books. I get more and more attached to them as I get to know the back stories and share their experiences as they deal with 'club business'. I had been really looking forward to Griz & Deanna's story after getting to know them in Holding Out. I knew they were attracted to each other, but were holding out, refusing to give in to their mutual lust. I knew they both had secrets that were keeping them from moving forward, secrets that they felt were too much to inflict on each other. As we learned with Zara, the Hawks don't allow anyone to keep secrets if they feel they are endangering their lives. There's nothing like a Hawk MC intervention to get the blood flowing, right? Well, once Griz discovers there's a reason to be concerned for Dee's safety there's no stopping him. Get ready for some fun as these two are thrown together, you are in for a treat. You will get to meet Vinny and find out what happens when the big bad Grizzly is pushed to his limit, and then turns the tables on her. Get ready to melt into a puddle from emotional overload, and...um..other things too (wink-wink).

STUPENDENOUSLY GOOD!!!!!!!!!!!!!! Deanna and Griz have been eyeing each for a long time now. Deanna's past and Griz 's life style are going to rear their ugly heads but Griz and Deanna will be there for each no matter what!!!! The intimate moments will are off the charts sexy!!!! The story is action packed!!!! The relationships are getting sweeter from the last story!!!! The non verbal conversation between the Hawks is hysterical along with all the attitude flying around some if the characters. This story gets 5 star rating just like the other stories from Lila Rose. :) Donna

Love it, still Deanna still tells it like it is but now her past is coming back and its going to hurt her more now then it did back with she was 16. Because of Zara came into her life and helped her as she helped Zara but since Zara is now married to the president of Hawks MC and they claimed her as well as the rest of their miss matched posse of friends also. But since the first time Deanna saw Griz, Grady out front of Zaras house over a year ago she fell for him, his older roughen looks and his salt and pepper hair, she have a thing for older men. But since then Deanna and Grady have been trying to keep their feelings locked down but they had it in for each of at first sight. Since Deanna stepbrother is about to be released from prison, for raping Deanna but also for murdering her adopted parents, his parents hes getting out and she is his first revenge hit to get rid of to reclaim the money she got from his parents death. She loved her adopted parents more then anything but its their son she never liked or trusted and now since he has been sending her letters telling her what he is doing to do she has been hiding everything from Zara but once day the very preggo Zara sees whats happening and makes a call to Talon which he tells Griz well things will be aired and thats not the only thing Deanna has to deal with in her life but now her heart will open up for all her new family but after finding out your secret love had forced himself in her home to protected her, he also brings in a 2 year old bundle of joy, his daughter Swan into the mix.

Deanna and her foul mouth..who would have thought she was such a softy underneath that hard,tough exterior. Griz is one badass man hell bent on not touching the young "hell mouth", but when circumstances force these two together, they must both accept their changing lives in order to build one together.Deanna and Griz were H.O.T...he loved making Deanna whimper and moan at the drop of the hat..Deanne love that Griz can get her from 0 to 100 in 2 seconds..once they deal with her past and the new threat..everything will fine.Great read. I'm moving straight to the next one.ÃfÃ Ã Å,Ã ÆœÃ â
