Sharing Lives: A Tale Of Two Kidneys

Synopsis

Three amazing stories of miracles made possible through the love of God, and His blessings on the lives of the people involved.....a story of a young girl who received a kidney over thirty years ago. ...a story of a young mother who gave her kidney to her mother without a second thought for her own life, just because she trusted and loved God--knowing He would bless her and her family. ...a story of two couples matched to give their kidneys to someone they had never met so a person they loved could receive a kidney.

Customer Reviews

What a great way to share a real life experience not only about yourself but others that you meet along the same road! Very easy and quick read that provides insight into the process that people go through to receive a kidney. Enjoyed the book and one that would be great to share with anyone having to go through organ transplant.
