# Manga Mania's: Girl Power!: Drawing Fabulous Females For Japanese Comics

## Synopsis

Chris Hart's latest entry in his blockbuster series explodes with girl power! From fighters and princesses to magical characters and ordinary schoolgirls, manga features an array of female types, and Hart goes step by step through the techniques for creating them all, so that artists of any level can follow along. His huge cast of characters includes angels of light and darkness, a sushi chef, samurai, shopaholics, a pirate, a judge, athletes, and a veterinarian tending to a sick cute monster. And, since manga girls rarely sit still, aspiring illustrators will learn how to draw them in action, in a variety of situations.
