Customer Reviews

Dr. Les Christie has been in youth ministry for 40 years. He has led popular seminars all over the world, training more than a million volunteers from a wide variety of organizations and denominations. Dr. Christie is the author of 13 books and co-author of 10 others. Les has been the chair of the Youth Ministry Department at William Jessup University since 1993.

Great

Scattered throughout this book are Gaming Tips, which give essential suggestions and insights on everything from choosing, beginning, to leading a game. I am new to leading a group of 8-12 yr. old

girls in my church. I am not very creative when it comes to games and activities I am more of a preacher. So, I was looking for some help. This book gave me great ideas. I don't use every game, because some will not work. For the most part I have been using a new game within this book each week. There are about two to three games per page. Especially the last chapter on how NOT to lead games with your youth group was great. I am new to this and need all the advice I can get! I highly recommend this book for new and exciting games to play with your youth!

This is the best game book for youth ministry. I've purchased at least 12 to give away to interns and volunteers over the last 10 years. Every game I've used has worked.

Lots of good games. I had seen or played many before, but there were lots of new games, and good ideas to twist and change them. Some of my favorite parts were about keeping all kids involved, handling games gone wrong, etc... games range from sitting in chairs and writing things down to rolling in the mud and making a huge mess! It's a good addition to a youth pastors tool box.

Games our gold for Middle schoolers they need to run around! This is a great book that gives lots of games for all sorts of ages. With a quick and easy guide to find the type of game you are looking for.

So many great games in here that we used for our youth ministry. Our youth had so much fun! Very little prep time and lots of different games. Didn't need a lot of supplies either.

Great games for youth. This book has games for everyone.

This is a must have for every youth leader. These games have helped build my youth ministry and the kids love them and always ask to play more. I would highly recommend.
