# Foundations Of Athletic Training: Prevention, Assessment, And Management, 5th Edition

## Synopsis

This text integrates basic medical concepts and related scientific information to provide a strong foundation of general athletic training practices. Using a problem-solving approach to prevention, recognition, assessment, management, and disposition of sports-related injuries and diseases, this text provides athletic trainers and athletic training students with the most extensive, challenging content in a user-friendly format. **New Content!** This edition features a new chapter on Psychosocial Intervention Strategies.

## Customer Reviews

great!

Arrived exactly as advertised.

it was great and in good condition

Excellent!

Found the right book, at the right price and had it to me before my class started? That's what I call a good deal

i like it. it really help me out and came in handy with my homework. has a lot of info as well

Great
