Customer Reviews

Mark Beyer is the author of several nonfiction books for children. --This text refers to an alternate Library Binding edition.

great . so fast, receive it next day . Kelly needs it , low price. Excellent product, just what I needed for my crusty artisan breads. Best bread product I ever owned, hands down. And at such a reasonable price.

This was a little book, but it had a lot of colored pictures included, and good information.

This is a child's book and good for that, but if you are an adult forget it.
