Precious book. I ordered four items for my niece and nephew in San Jose CA and requested send the 4 items to the one address. They did not do so. Surprised at such customer service. // Otherwise, items are great // The contents are thought and meaningful, e.g., Jesus loves me as I dress, etc.

Not at all what I expected from the description for age group, very hard to open and turn pages, dangerous for infants sharp edges, would not recommend

A friend told me about this book and I purchased it for my first born. I love reading it to her and now that she is 2, she can hold it with her tiny hands and flip the pages herself. Its a great book to bring with in a backpack since it small. Highly recommend this book.

Jesus book for toddler
Quality n cheerful

Precious Little Thick paged book.. Sweet illustrations, my 1 yr old loves it!

My little girl can sing "Kisses Loves me" now. Like that it's a small book. Under 2's like small things I guess.

Great book for my granddaughter!

It's adorable! I love the little rhymes because they can be sung any way! I also love the pictures; they're so bright and cute. My baby loves to look at it and loves when I sing it. I like the size too; baby holds the book to look at it independently:)
