Flyfisher's Guide To New Mexico

Synopsis

This new addition to the Flyfisher's Guide series is the most comprehensive guidebook ever published for the state of New Mexico. From high mountain lakes and streams to wild river canyons, from large reservoirs to sprawling private ranches, New Mexico has an abundance of quality flyfishing opportunities without the crowds. Van Beacham, is a fourth generation New Mexican who has guided flyfishers in New Mexico all his adult life. Van covers in detail all of the great waters, including the famed San Juan River, Rio Chama, Rio Vallecitos, the Rio de Los Pinos, Jemez, Pecos, Santa Fe area streams, Gila, Rio Grande Gorge and more. He also covers the great trophy trout fishing on the Indian reservations and pay-to-fish private ranches. Van details how to fish each water, with hatch charts, recommended flies, and stream facts. There are over 60 detailed fishing maps showing river miles, access points, boat launches, campgrounds, public land, and roads. Van also covers all the travel information you need to plan your trip, including fly shops, sporting good stores, motels, guides, lodges, restaurants, car rentals, boat rentals, and more. This is a must have book for anyone planning to flyfish New Mexico.

Customer Reviews

This book, Flyfisher's Guide to New Mexico, fits nicely with the established tradition and quality of Wilderness Adventures Press books. The company's Flyfisher's Guide series is well know to anglers throughout the world and serves as a virtual compendium of useful and valuable information for residents of particular states or anglers traveling to new regions. Like all of the flyfishing guides, this is a must-have book for anyone planning to fly fish in the Land of Enchantment. --Southwest Fly Fishing
Beacham's book might easily be called an encyclopedia of fly-fishing in New Mexico. --The

Albuquerque Journal - Bill DyroffWow! I've read and used many self guidebooks in the past but I've never encountered one that covers its subject as well as this one... Whether you re new to the sport or a veteran this book is a must have for every angler. --Sangre de Cristo Chronicle by Don Fink

Author, Van Beacham, is a fourth generation New Mexican born in Santa Fe in 1958. His great-grandfather, William Beacham started the flyfishing in New Mexico family tradition when he opened the first hardware and fishing tackle shop in Santa Fe in 1908. Van owns The Solitary Angler fly shop. He guides year round in New Mexico, southern Colorado and southwest Wyoming.

Great fishing guide

Having met the author at Tulsa OK ad then buying the book I was pleased with information in it. Our club is planning a foshing trip to Mew Mexico so the information in the book is both informatative and explicate. I would recommend tis boo for anyone planning a trip to New Mexico.

Husband loves this!

I am a complete newbie to the sport. I had one guided trip to the San Juan and was hooked. I purchased this book to help me find some of the less populated fishing locations, and to help with choosing my flies at the fly shop. After reading I decided to plan a trip to the Wild and Scenic Rivers recreation area. It gave directions on getting there, camping locations, useful flies, and techniques. I had a blast and caught several trout. I also did not see another person on the river the entire weekend. I would recommend this book for anyone wanting to get started fly fishing in the New Mexico area. This book also contains a chapter on what gear you need to buy and most importantly what you don't need to buy to get started.

I borrowed this book from the library, its a good book if you plan too visit that state or live in it, i highly recommend it to all.

Excellent book for those that are going to fish New Mexico streams. Has lots of information of where to go.
