Shelter For Sophie (Badge Of Honor: Texas Heroes Book 8)

Synopsis

She's shy, he's stoic—not the hardest personality traits to overcome, but Sophie Carson and Roman “Chief” Proudfit have their work cut out for them. Sophie has a crush on the silent-but-studly firefighter next door. She's been pining away silently while secretly helping the hardworking man by mowing his lawn—which he thinks is being done by her nonexistent husband and/or boyfriend. He's definitely not big on neighborly chitchat, but with her stutter, that suits Sophie just fine. But now a misunderstanding at a bar has put him even further out of her reach. Roman's difficult upbringing on an Indian reservation is a sore spot, so when he thinks Sophie is taking advantage of poor people for medical trials at her workplace, he lets her know exactly what he thinks. But when he discovers he misunderstood, he's man enough to admit it—and also that he should have opened his eyes to his beautiful, sensitive neighbor sooner. As the couple gets closer, each helping the other overcome lifelong pains, for the first time in years, Roman has something to live for other than his job. And, as he discovers when Sophie puts herself in danger, something even bigger to lose. ** Shelter for Sophie is the 8th book in the Badge of Honor: Texas Heroes Series. Each book is a stand-alone, with no cliffhanger endings.

Another fantastic book written by Susan Stoker. I really enjoyed Sophie and Chief's story and learning some of his Native American words and way of life.

Sophie is awesome! even if she doesn't know it ... Now if only Chief could get his head outta his butt and figure out what's in front of him!!!

Another great addition to Susan's Worlds! Great storyline, wonderful characters and such emotion. Very much looking forward to the next book!

Great story. I love Chief and Sophie's story. So many cool characters. Love the Native American history / beliefs included in the story.

There are not enough words to describe how much I loved this book! Sophie and Chief were so adorable. You have got to read this one!

Ms. Susan's series. He is from a Navajo reservation ... and a firefighter. She is a seriously smart physicist. You gotta read this!!

Another good addition to the series. I loved the inclusion of Chief's Navajo heritage and Sophie's loving spirit. A job well done.

Absolutely loved Chief and Sophie story. Very well written. If you haven't read Susan Stoker I highly recommend it you will not be disappointed.
