SEA, SKY, And SKELETON: A Ravenwood Cove Cozy Mystery

Synopsis

BOOK FOUR OF THE RAVENWOOD COVE COZY MYSTERY SERIES
Some long-dead secrets are best kept buried. It was meant to be just a small remodeling project to Amanda's historic bed and breakfast, like so many she'd done before. This time, though, she hadn't counted that a mysterious discovery could lead to her small Oregon beach town buzzing with gossip and innuendo, and someone just in the shadows who will stop at almost nothing to keep the past as silent as the grave.

Customer Reviews

This is the third book in the Ravenwood Cove Cozy series. I enjoyed each book and as they go along they get to be more fun. In the first book Amanda moves to a coastal town in Oregon where she opens a bed and breakfast. In the next two books Amanda helps the local police in her new home-town to solve local murders. This third book is along the same lines, but each book has its own twists and turns. This time Amanda gets a bit more romantically involved with James, one of the local police officers who captured her attention early on. These books are light, easy reading, and a lot of fun. I'm eagerly looking forward to Ms. Dean's next book.

This writer handles all the elements of this series very well, I enjoyed reading another fine novel. As I follow the continuing story of the major characters, from book to book, I savor the mysteries as well as the personal lives of the characters. I congratulate the author for a very clever and original story. I'm on to the next book.

I've been enjoying this series so much and seeing Amanda and James dating or hanging out as well as becoming closer. The killer came as a total surprise to me. There's also a new very likeable character named Petunia who owns of course, a flower shop. Mrs. Granger always cracks me up too. Needless to say I've pre-ordered the next book!

This the second book I've read in two days. Truly enjoyed both books. Getting ready to start the third book, Murder on Ice. Books are short but hard to put down. I'm truly enjoying them. Bed, Breakfast and Scones, Sea Sky and Skeletons and now Murder on Ice!!

Enjoyed this who done mystery written by Carolyn Dean. Quick fun read trying to figure out what was going to happen next. Good clean mystery with a little loves in. Recommended for reading.

I really enjoyed this book. The story was good and I enjoyed the new characters. Lots of twists and turns and Ian was a surprise to me. It's fun hearing about the work being done at the Inn. That was really cute discovering Amanda is related to Hortense Sandford. I recall what was done with the Bible discovered in the stairs, but didn't see what the decision was on the sterling silver spoons with the letter "P" on them. Did she give them to Hortense?

I love the mystery and all the twists and turns you provide in your story telling. You have a way of writing that let's the reader feel like they are part of the story. Loved the way Amanda was rescued. So perfect and never expected. Oh, love the recipe. Can't wait for next book. Already pre-ordered!

I typically don't write reviews, but I really love this series! I stumbled upon the Ravenwood Cove cozy mystery series while looking for something easy and interesting to read. Happy to say I've read them all, and very quickly! Can I live in Ravenwood Cove now please? I love these books, they're such a delight to read. A good combination of mystery and suspense without making your mind turn too much for pre-bedtime reading! Would happily read the series agains and again, cannot wait for

more!
