"Best of the Best from Louisiana has a winning concept, a beautiful design and such successful recipes." -- Joe Arrigo, New Orleans author, artist, book distributor

Gave as a gift

This cookbook is full of wonderful, authentic recipes from a variety of other cookbooks. All of the recipes I have tried have turned out well. The king cake recipe is a sure winner. I owned the print copy for a long time, and thought this would be handy to have in kindle form. Buyer beware, the kindle edition is horribly formatted. Some recipes are nearly impossible to read.

I bought the first Louisiana Legacy Cookbook and used it all the time. It was pretty worn out when I bought this one. Now this one is looking ragged!! I absolutely LOVE the recipes and stories in this book!!

I have almost all of the Gwen McKee Louisiana cookbooks and absolutely love them. The recipes are spot-on as far as Louisiana cooking. A must-have for anyone needing to complete their Louisiana cookbook series!

This cookbook has the best of Louisiana in it. I had one copy, purchased while I was in Baton Rouge. Gave it to someone who coveted my cooking. Then, found this one on . Thank Boudreaux!

Wow these are great cookbooks, with just about any recipie category you can imagine! They are extensive and plentiful. Thank you!
