In this follow-up series to Snelling's popular "Red River of the North," a historical series about a Swedish community in North Dakota, Thorliff Bjorklund dreams of being a journalist, but his father refuses to consider sending him to college, expecting Thorliff to help run the farm. But even Thorliff's love for Anji is not enough to stave off his dreams. After praying for the Lord's guidance and with his mother's support, Thorliff leaves home to attend college. Thorliff is that curious mixture of child and adult trying to grow inside the same skin. His decision to pursue his own dream comes from the man he will become, while his reactions to other events expose the boy that he still is. Unfortunately, an otherwise enjoyable tale is marred by the jarring and abrupt ending. For series collections only. Snelling's *A Dream to Follow* begins her Return to Red River series, a child of her popular Red River of the North series about the Swedish settlement of North Dakota and Minnesota in the 1870s. Her hero in this first installment is young Thorliff Bjorklund, son of Ingeborg and Haaken Bjorklund, who heads off to college at St. Olaf's to study journalism, but feels guilty leaving the farm to his overworked parents and his younger brother. It's an utterly predictable tale, though Thorliff is likable enough, and once again, her strong suit, Snelling's knowledge of life on the farm, shines through.

Continues to be a great addition to the first six books. It is easy to get attached to the characters. I'm excited to start the next book.

I was afraid this book would not continue the saga begun in the original series. I was happily relieved to find that it did keep up with the original characters while focusing on one young man who left Blessing to fulfill his life's dream. It is just as wonderful as the other books. I don't know how Lauraine Snelling continues to put out book after book with all of them so wonderful. It is a gift from God that I pray she will continue.

I have truly enjoyed the whole series by Lauraine Snelling. I have a hard time putting down her books. They are filled with scriptures that adhere to daily living. Really enjoyable.

GREAT BOOK I HAVE 28 OF THIS SAME FAMILY. LAURINE SNELLING MANAGES TO KEEP CHARACTERS AND ADD ONES THAT KEEPS THE SERIES FRESH BUT NOSTALGIC

I've been reading the Red River series by Lauraine Snelling and continued on with Thor's story. I've found these books to be inspiring Christian fiction. I've thoroughly enjoyed each book I've read.

Good to see Thorliff living out his dream of writing for a living, though it was hard to not fulfill his step father's expectations too. So many life lessons in all this series!

I loved this book and all the other ones in this series. The writer gives dialogue and thought ideas them clearly. The thoughts are often a surprise. I will read everything she writes. I great story teller.

Thanks Patty

Lauraine Snelling never disappoints! Another great book in the Blessing series!
