Freefall Summer

Synopsis

Sixteen-year-old Clancy Edwards has always been "the good girl." Ever since her mother died in a skydiving accident when Clancy was young, Clancy's father has watched her like a hawk. Between her dad's rules and her boyfriend's protectiveness, she's longing for an escape this summer. Then she meets Denny. Denny is a new skydiving student and college freshman. Clancy lets Denny think they're the same age--and that she's old enough to make decisions for herself. But the lies snowball, relationships are damaged, and suddenly Clancy isn't the person she wants to be. If only making choices were as simple as taking a leap out of a plane. Before Clancy can make things right, one last act of rebellion threatens her chance to do so--maybe forever.
