Race On Trial: Law And Justice In American History (Viewpoints On American Culture)

Synopsis

This book of twelve original essays will bring together two themes of American culture: law and race. The essays fall into four groups: cases that are essential to the history of race in America; cases that illustrate the treatment of race in American history; cases of great fame that became the trials of the century of their time; and cases that made important law. Some of the cases discussed include Amistad, Dred Scott, Plessy v. Ferguson, Scottsboro, Korematsu v. US, Brown v. Board, Loving v. Virginia, Regents v. Bakke, and OJ Simpson. All illustrate how race often determined the outcome of trials, and how trials that confront issues of racism provide a unique lens on American cultural history. Cases include African-Americans, Asian-Americans, and Caucasians. Contributors include a mix of junior and senior scholars in law schools and history departments.

Book Information

Series: Viewpoints on American Culture

Customer Reviews

"Race on Trial succeeds in its limited aim of bringing essays on an important historical topic to the attention of general readers."--HISTORY"Together, the twelve cases in Race On Trial cover a long span of US legal history, and the authors provide fascinating biographies of the litigants behind the court cases. Overall, Gordon-Reed has compiled a fascinating collections by impressive scholars on important racially-oriented trials."-- Law and Politics Book Review

Annette Gordon-Reed is at New York Law School.

One of the most honest books I have read about our historical US experience in matters of race from a legal perspective. The good. The bad. The ugly.

accepted as a required reading for my undergraduate course- African Americans and the Law. substituted for In the Matter of Color by A. Leon Higginbotham because Race on Trial will be an easier read for them. The latter focuses on specific trials compared to a intricate timeline of state laws/supreme court cases.

its a really good book i am engoing so far i am glad i got it hear instead of at the school bookstore
