my best friend need it , Nice and valuable. very good. fast and in time.. I have bought several Bread products recently as I have started to make homemade bread. This product was reasonably priced and does an excellent job slicing our bread thick or thin. A buyer should not be fearful that this product is below par - very good product at a good price! Don't be afraid, just order the product and enjoy your bread.

This glued-softcover features all the principle towns and islands of the Antilles. It also includes the directions for and descriptions of all that is worth seeing. Great for planning your vacation. Then book comes with a fold out map of the Caribbean.
