Seychelles In Your Pocket

Synopsis

Text in English and Italian. The Republic of Seychelles is an archipelago nation of 115 islands in the Indian Ocean, some 930 miles east of mainland Africa, northeast of the island of Madagascar. Although detailed and analytic, this fifth edition of "Seychelles in Your Pocket" still remains compact and pocket sized so that it may be carried anywhere. Among the novelties is a guide to the fish which appear on the table amazingly transformed into Creole dishes. Also included is the opening of the Aldabra atoll and Assumption island. One of the last wonders of untouched nature, the biggest atoll in the world opens its arms to small groups of nature enthusiasts. Assumption constitutes an exceptional stop between Mahé and Aldabra.

I am the proud owner of a much later edition. Hopefully and probably the earlier editions give indication of how wonderful and unspoiled a place the Seychelles was, and hopefully still is.
