Texas Shipwrecks (Images Of America)

Synopsis

The Texas coastline and offshore waters are flat, shallow, featureless, and filled with shoals. Texas waters are subjected to extreme weather, not just hurricanes and tropical storms but also northers and seasonal gales. This, combined with two centuries of naval warfare off Texas waters, produced many shipwrecks of all sorts, from Spanish treasure fleets to simple working boats. The ships of pirates, navies, cotton traders, immigrants, fishermen, and oil shippers line the Texas coast, cover the sea bottom off Texas, and blanket the bottom of Texas rivers. Each wreck has a story, romantic or repellent, prosaic or unusual, but all intriguing.

Book Information

Series: Images of America

Paperback: 128 pages

Publisher: Arcadia Publishing (April 11, 2016)

Language: English

ISBN-10: 1467116173

ISBN-13: 978-1467116176

Product Dimensions: 6.5 x 0.3 x 9.2 inches

Shipping Weight: 11.2 ounces (View shipping rates and policies)

Average Customer Review: 2.0 out of 5 stars 1 customer review

Best Sellers Rank: #2,459,319 in Books (See Top 100 in Books) #67 in [Books > Arts & Photography > Photography & Video > Nature & Wildlife > Underwater](#) #378 in [Books > Engineering & Transportation > Engineering > Marine Engineering](#) #1975 in [Books > Engineering & Transportation > Transportation > History > Ships](#)

Customer Reviews

Mark Lardas is the author of numerous books on maritime and Texas history. A longtime resident of Texas, he has maintained an interest in the Texas maritime history, including shipwrecks. With generous assistance from and in cooperation with the Institute of Nautical Archeology at Texas A&M University, and numerous museums throughout the state of Texas, he has pulled together a fascinating collection of images to illustrate Texas's maritime history as seen from its shipwrecks from Cabeza de Vaca's first shipwreck in 1528 through the 21st century.

Basic info and not as complete as I had expected.
