Customer Reviews

I'll never know if the recipes are great or not because the kindle is not working on my pc. The recipes wont scroll to a place I can read them. Grrrr. Also There seems to be no way to cancel it for refund. Grrrr.

at first thought no way but forgot about the swap outs. Now I say a very good book. Has the nutritional values, complete instructions. A very good buy

It's a good book with great recipes. My only concern is the amount of butter/fat used in some of them and the calorie content of some of the portions. Besides that it's a nice little book with great grain free alternatives for desserts.

Liked the layout and presentation. Definitely helpful in providing info on desserts for Paleo diet. Really looking forward to trying.

Good Read, very insightful

Wow, this book is packed with so many recipes that look absolutely AMAZING!!! I have people in my family who eat gluten free so I'm so happy to find some recipes that show them they can still have desserts and love their food, yet be healthy at the same time. Those Key Lime Cupcakes with Silky Meringue Frosting are the first thing I'm going to try... talk about delectable! Highly recommended!

Who doesn't like Paleo Desserts? I do!

Great delicious dessert ideas for Paleo and low carb!
