50 Things Every Young Gentleman Should Know Revised And Upated: What To Do, When To Do It, And Why (Gentlemanners)

Synopsis

50 Things Every Young Gentleman Should Know is a young man's guide to becoming the type of guy that people respect and enjoy. He knows how to shake hands. He knows how to be a good sport. He knows how to give a genuine compliment and how to speak his mind without being offensive. His friends listen to what he has to say, and he returns the favor. He knows how to achieve the perfect knot in a necktie, and more important, he knows when he should be wearing a tie in the first place. Oh, and his favorite ball cap? He knows when to wear it and when to leave it at home on his dresser. Becoming a gentleman doesn't happen in an instant; it's a lifelong exercise in refining etiquette, social interaction, and personal discipline. It all begins here.

Customer Reviews

John Bridges, author of *How to Be a Gentleman*, is also the coauthor, with Bryan Curtis, of seven other volumes in the best-selling *GentleManners* series. He is a frequent guest on television and radio news programs, always championing gentlemanly behavior in modern society. Bridges has appeared on the *Today Show*, the Discovery Channel, and *CBS Sunday Morning*, and has been profiled in *People* magazine and the *New York Times*. Bryan Curtis is an author and the president of Dance Floor Books. He is the author/coauthor and editor of more

than 25 books, includingÃ   My South,Ã   My Southern Food,Ã   Classic Wisdom for the Good Life,Ã   Classic Wisdom for the Professional Life, and the popular GentleManners series. Ã  

I got this for my son because people with manners get further in life and have a more blessed life. And we have so few gentlemen in this world anymore.

I gave this book to my 14 year old grandson when he graduated from 8th grade. Whenever he seems to lose his manners, I have him read a specific chapter. Things like how to say thank you. I even bought one to keep in our house so that when the grandkids visit they can read a chapter and we can discuss why manners are so important.

We purchased this book to go through with our 10-year-old son & I ended up liking it for me. In a time when manners and respect are nearly gone, this book helps inform a young man (or not-so-young-man) on how to conduct himself as a gentleman. This book is an easy read and covers a wide-range of subjects & situations. It does it with a bit of humor too! Would highly recommend this to any parent with a boy.

I want to give to my Son as much insight on being a "Gentleman" as I possibly can so he not only owns and has read "50 Things Every Young Gentleman Should Know" but also own and has read "How to be a Gentleman: A Timely Guide to Timeless Manners" by John Bidges [...] Something has happened in our World today, with this Book (50 Things Every Young Man Should Know) Mr. Bridges has put into writing things that should be instilled into our young Men day by day at Home. For those that teach their Children these Books will be a constant reminder of not only why we're Gentleman, but what we can do to keep and gain respect/trust/honor from others we encounter, whether once or consistently. Should I purchase this Book for my Son? Yes! He'll read what is in the Book and I guarantee he will come to you, Book in hand, and begin a discussion with you-one that will open the door to other conversations that may have been difficult before. If there is one thing I could/would recommend for you to purchase 50 Things Every Young Gentleman Should Know is that one thing.

Clear and short chapters with plenty of real examples --perfect for my inattentive teen.

Lots of good information presented in a non-offensive manner for teens. We'll see how well he

applies the principles down the road, but at least he is reading it and has the opportunity to retain what he is learning. I consider it a victory.

I purchased these books for my grandsons because I want them to open doors for me before I poke them with a stick. More attention to manners for men!

Bought for cousin's son
