Customer Reviews

Excellent book with the latest information on the nightlife in Bangkok and Pattaya. Amazing stories of one man's quest to maximize his time in 8 days. This is a great book to get you pumped up for that next vacation to the Adult Disneyland of the world.....:-) I have lived here (Thailand) a while and I still learned several new things and enjoyed this book and for the price, it is a no brainer to pick up.

Nice accounting of what happens in bangkokMonger X:Thai Bar Girls Picture book

wild times!

Author seems very full of himself, as someone who has lived and worked in Thailand for years, I question his stories

A shallow stupid book (2) - don't waste your money - Thailand is a wonderful, beautiful, rich country - wonderful friendly people - but this sorry book captures none of this - what a waste of time!

As soon as I found out I was going to be traveling to Bangkok for work, I started to look around for some information about the wild party life in Bangkok. Being single and with some extra vacation days it was time to do a little research.Bangkok After Hours II was the perfect answer. It was very current and provided me with more than enough information to keep me entertained in the big city. It also included a few tips that might just keep me out of trouble:)I'm thinking I'll pick up a couple more of these ebooks to read on my flight over. After all it's .99! Not even half the price of a bottle of water in some of those Bangkok Nightclubs.
