I really love this book. Such a great resource to have when performing German Lied and wanting an accurate translation of your piece. In addition, I could not have been more satisfied with 's customer service. I ordered two copies, one for me and the other for a friend. One of the copies came damaged and I filed a return with . Well within 10 minutes I received an email from telling me that they were overnighting a new copy to me (free mind you), and to keep the old copy at not additional charge. This is why I shop with .

How lucky we are to find such a great treasure! I am so grateful to Fischer-Dieskau for fulfilling this great need for music lovers everywhere, including me: Now to treasure the great Lieder and being able to know what the German poetry means by the translation to English...I have it all! It is far more than 1 + 1 = 2....The result is countless! It also makes the perfect gift to any music lover, especially

someone who loves the Lieder. One of the best purchases I have ever made!Carl Baum, Palo Alto, CA

The kindle edition was very difficult to use because the indexes are not hyperlinked to the text. Otherwise, this is a substantial collection. Some major omissions. I couldn't find R Strauss's *Befreit*.

I got this book for the text of lied, of which it has 75 in both German and English. It's a fine selection plus as couple of essays, one by Fischer-Dieskau himself which makes me wants to explore the realm beyond Schubert, Schumann, Brahms, and Wolf. It goes very well with the complete Schubert lied on Cd which I also got from . Thank you!

Wonderful to read the translation of lyrics while listening to the songs. DFD was greatest singer in my book.

Everyone who wants to be serious about singing lied must have this book. Fischer-Dieskau was an authority on the performance of lied and his knowledge is refreshing and much needed for the best interpretations

This book has the text of all my favorite songs, songs that I have heard of, and songs that I have never heard of. Wonderful!

This is *Worte ohne Lieder*, a marvellous collection of the best! This is Fischer-Dieskau the man of lied. What a good idea to translate the texts to English.
