Real Marriage: The Truth About Sex, Friendship, And Life Together

Synopsis

Pastor Mark Driscoll and his wife, Grace, talk about sex and marriage in down-to-earth terms, hitting issues other Christian books won't. While a wonderful wedding day is important, it's the last day of marriage that really counts. Will the last day of your marriage come prematurely through divorce? Will it be filled with regrets as you sit at the funeral of your spouse? Or, by God's grace, will the last day be a time to rejoice in the life you lived together? Pastor Mark Driscoll and his wife, Grace, want you to finish well on the last day. They share private and painful issues that damaged their own marriage-including his introduction to pornography in elementary school and her abuse as a teenager at the hands of a boyfriend-and how they overcame them to experience healing and joy with each other again. Together they tackle the tough issues, such as: Should I confess my pre-marital sexual sin to my spouse?; Is it okay to have a work husband/wife; Can I say no to sex when I really do have a headache?; What does the Bible say about masturbation and oral sex? From fun date night tips to the most tricky can we do that sex questions, Mark and Grace share practical help and hope with people just like them-who entered marriage a complete mess-or who are planning to be married someday and want to avoid some sticky pitfalls.

Customer Reviews

Pastor Mark Driscoll is the founding pastor of Mars Hill Church in Seattle, Washington and is one of the world's most-downloaded and quoted pastors. His audience--fans and critics alike--spans the theological and cultural left and right. He was also named one of the "25 Most Influential Pastors of the Past 25 Years" by Preaching magazine, and his sermons are consistently #1 on iTunes each

week for Religion & Spirituality with over 10 million of downloads each year. Pastor Mark received a B.A. in Speech Communication from the Edward R. Murrow School of Communication at Washington State University, and he holds a masters degree in Exegetical Theology from Western Seminary in Portland, Oregon. He is the author of fifteen books. In 1996, at the age of twenty-five, Pastor Mark and his wife, Grace, with the vision to make disciples of Jesus and plant churches, started a small Bible study at their home in Seattle, which at the time was the least church city in America. Since that time, by God's grace, the church has exploded with upwards of nineteen thousand people meeting across thirteen locations in four states (Washington, Oregon, California, and New Mexico). Mars Hill has been recognized as the 54th largest, 30th fastest-growing, and 2nd most-innovative church in America by Outreach magazine.

This is a great marriage series and not for the faint at heart. If you are not ready to face real issues in you marriage, then stay away from this book and video series. However, if you are tired of your marriage being in the condition that it is, if you are open and willing to to working on you and being responsible for your role you play in your marriage, then this is a great place to start!

This book was life, but most importantly, MARRIAGE changing! Love love love this book. Studied it in small group. Recommend for anyone and any marriage! Prompted some conversations that were very necessary, bit can't fathom they would have come up without reading it!

This book, along with the sermon series available online, is very helpful in discussing godly goals in marriage. The authors candor is refreshing and engaging. The Scripture is handled well and entirely relevant.

I appreciate Mark & Grace's boldness to teach biblical principles on taboo topics. The book is well written and informative. This a great tool.

This goes well with a conference my wife and I are attending. This book encourages you to look at all areas of your relationship with your spouse and make them better.

I have enjoyed reading through this series using the book as the primary teaching tool as well as the videos. This guide works perfectly with the other tools mentioned.

Real Marriage Participant's Guide: The Truth About Sex, Friendship.. is a great companion book to Driscoll's Real Marriage: The Truth About Sex, Friendship, and Life Together book. Went through these books with a group at our church. Awesome guidance, ideas, and truths to work on for any marriage even before any issues.

Brings topics to the table that we thought we both already knew about each other (and were wrong). Opens up great conversation to things we thought we knew and gives opportunity to truly get to know each other on a whole new, greater level while teaching you to focus on both the needs of your relationship together, but more importantly with in unity with God. I recommend to every married couple!
