Keep Your Dog Healthy The Natural Way

Synopsis

The best treat you can give your dog is a long and happy life. *Keep Your Dog Healthy the Natural Way* tells you how to do it. Millions of people who use holistic healing techniques on themselves are now discovering they can apply these same powerful practices to their canine companions for a longer, healthier life. Drawing on the clinical experiences of dozens of holistic veterinarians around the country, medical writer Pat Lazarus gives you all the information you need to protect your pet's health and insure his survival to a lively old age. Inside you'll find-

- The inexpensive natural diet that every dog needs to maintain a strong immune system-
- The startling facts about conventional vaccinations--and the safer alternatives-
- Tailor-made diets for pregnant dogs, nursing mothers, and active puppies-
- The healing benefits of acupuncture, homeopathy, chiropractic, and food supplements for old and "terminally" ill dogs-
- New hope for infectious diseases, cancer, heart trouble and hypertension, arthritis, and problems of the eye, skin, and hair-
- The revealing truth about the ingredients in most commercial dog food

And much more! With the easy, natural care detailed in this book--including an essential directory of holistic veterinarians nationwide--your dog can enjoy the good health he deserves, from puppyhood to ripe old age.

Got this book on back in 2013 and it is a pet owner life changer. I have dozens of other dog health books but always come back to this one. Bought it at a time my 6 year old Yorkie was just not well but no vet found a problem. I completely went off commercial food and switched her to cooked food and now 3 years later, at 9 years of age we are switching to raw. She is in better health than most pups 1/3 of her age, her coat is shiny and she can still outrun me. This book is a must for a dog caretaker who is responsible and loves their canine like family. PS there is a list of holistic vets in your state in back of the book and that is how we found our great vet.

This book absolutely changed the way I care for my dogs (and cats - I bought that version shortly after). For anyone interested in providing the best diet and lifestyle for their pets, get this book!!! Very easy read, and I keep it on hand with tons of pages book marked and highlighted. I've completely switched their diet and started visiting and consulting with a holistic vet nearby. Our pets are thriving - so glad I found this while they're still young enough for it to have a dramatic effect on their health!

Same review i gave for the Cat book. It has helped me filter thru the haze of info out there. Love the book. Buy it!

Book arrived in good shape

arrive as promised

Very interesting

great book
