This book and study are really helping me through a rough time I'm going I'm still reading and I really love it. So thank you so much havilah ãçÂ•Â¼Ã Æ,Æ•

This was a very positive study but it lacked the heavy bible referencing I was expecting. The writer no doubt has a heart for Christ and wants people to get out of the rut they are stuck in and live to the potential Christ has created them for, but it seemed to lack some of the spiritual force I hoped it would have. This may be a good study to get started with if you are struggling with feelings of self worth and where to go with your life. If you've already had the realization of who you are in Christ and that he designed you for a beautiful purpose you may want to seek out something more

challenging.

Wonderful Bible study. Chapters are short so you can easily fit them in with a very busy schedule.

Excellent study for beginners and experts alike. This taught me so so much. Bless you, Havilah!

A Must Read for everyone! Buy one for yourself & those you love
