"Kirkus Reviews "a fantastic book that has enchanted me" "Customer Review "We are in love with this book! [...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!"" "Customer Review "Written in a very simple way but with a profound message for both adults and kids." "Customer Review "I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!" "ESLCarissa.blogspot.com "readers will emerge from this book feeling slightly more confident about themselves" "whatever their size." Am I small? is the world's first World Children's Book - available for every country on earth in at least one official language.

As a beginning Dutch student, I think it is vital to apply your lessons to reading material outside your language excercises. This book is a way to do beginning reading in Dutch, and enjoy it as well. The book is geared towards young children, but any age language student can enjoy it as well.

This will go in the collection with the others. It will be fun reading it when our grand children are bigger.

I love it. Simple enough for an adult who isn't necessarily bi-lingual. Wish there were more of these around to order for my Dutch family.

It is hard to find bilingual books in Dutch and English that I like, but this is darling! We love it.

Great illustrations

Leuk!
