Near A Far Sea: A Jamaican Odyssey

Synopsis

What Frances Mayes did for Tuscany, Don Noel has done for Jamaica. In 1966, he and his wife discovered, on the island's South Coast, an unspoiled, out-of-the-way village where most residents make their living fishing on the Pedro Bank 50 miles off shore - "far sea," as the fishermen call it. They built a beachfront house, embellishing it over the years with a tennis court, a swimming pool and other improvements - and fending off roaming goats to establish lush plantings of tropical flowers and trees. They got to know their neighbors, and found ways to be helpful. *Near a Far Sea* is the often-comic story of coping with a Third World bureaucracy and an unsophisticated labor force to make it all happen. But it's a story that focuses on the village neighbors - thumbnail character studies that illuminate the life of a Jamaican fishing village. The subtext includes commentaries on British colonialism and attitudes about race, and notes on tropical trees and fruits, flowers, farmers' markets, birds, the Jamaican fishery, education and more. It's a book that will engage you by the colorful folk who populate it.

Customer Reviews

Don Noel is retired from a prize-winning career in television and newspaper journalism that earned him a place in *Who's Who in America*. He is currently a candidate for a Master of Fine Arts in Creative Writing in Fairfield University's low-residency program. He and his wife, Elizabeth Brad Noel, live in an African-American and Jamaican neighborhood in Hartford, CT, and have been deeply involved as volunteers addressing urban issues for four decades; he now is chair of the ACLU of Connecticut. They take delight in sharing their island hideaway with their daughter Emily,

her husband Tim and their seven-year-old grandson "TJ".

If you love Jamaica this will be an adventure. love it, its in great shape and a fun read. Book was in great shape and arrived in good time.

A great read.

This book was so perfect, because we went to Jamaica. Treasure Beach. We actually met the boat builder that was written about in this book. What a true pleasure it was. There is no place on earth like SWEET JAMAICA!~~
