Glencoe Health, Student Edition

Synopsis

Glencoe Health is an activities-based, high school, health program where teens find support for mastering important health content and skills. Through high-interest, real-life applications, they will learn to recognize and stand up to peer pressure, model good health behaviors, and develop solid decision-making skills that will last a lifetime.

Customer Reviews

McGraw-Hill authors represent the leading experts in their fields and are dedicated to improving the lives, careers, and interests of readers worldwide

My son lost his textbook 2 months before the end of the school year and needed to replace the book. Fast delivery. Arrived on date promised. Book is in great condition, exactly as stated, no tears or markings. Thank you.

My son lost this book and of course the mother get stuck with the bill. The price was perfect and it arrived right on time...

Great 9th Gr. Health Book!!

Got my book faster then expected. Exactly what we needed for class.

This is a very easy, informative book to use if you want your high school student to learn about how to live a healthy life-style in regards to healthy living, keep up of hygiene and many other things that are important to healthy living.

Required textbook for my son. Great deal. Came in great shape.

book was a great help as a home copy easily understood concepts broken down into straight forward concepts. Big help for my son

I was very happy with this book. It was in wonderful condition for its low price of \$5. I used it for online course and it was exactly what I needed. Thank you !
