The Care & Keeping Of You 2

Synopsis

This thoughtful advice book will guide girls through the next steps of growing up. Written by Dr. Cara Natterson for girls 10 and up, *The Care & Keeping of You 2* follows up the original bestseller with even more in-depth details about the physical and emotional changes girls are going through. With illustrations and expert contributors, this book covers new questions about periods, her growing body, peer pressure, personal care, and more.

Customer Reviews

This book was purchased to train young girls in institutional care on their periods and body. We used it in a cross-cultural environment. Although, written in English, the pictures are plentiful and universal. There are many multi-cultural girls in the book. Absolutely loved it and bought one for every girl in the class. I highly recommend this for girls ages 11 and up, but please refer to the author's recommendations. Beautifully done and thoughtfully laid out, chapter after chapter. A winner.

Highly recommend these books for girls

Great book once you've had "the talk" to support any additional questions she may have. Creates a comfortable dialogue starter for both parties involved.

Grateful for the guidance

Daughter loved this.

Educational

Good book for girls.

perfect for my daughter to read as her body is changing.
