Emanuel Law Outlines: Civil Procedure, 24th Edition

Synopsis

The most trusted name in law school outlines, Emanuel Law Outlines were developed while Steve Emanuel was a student at Harvard Law and were the first to approach each course from the point of view of the student. Invaluable for use throughout your course and again at exam time, Emanuel Law Outlines are well-correlated to all major casebooks to help you to create your own outlines. Sophisticated yet easy to understand, each guide includes both capsule and detailed explanations of critical issues, topics, and black letter law you must know to master the course. Quiz Yourself Q&As, Essay Q&As, and Exam Tips give you ample opportunity to test your knowledge throughout the semester and leading up to the exam. Every title in the series is frequently updated and reviewed against new developments and recent cases covered in the leading casebooks. Emanuel Law Outlines provide a comprehensive breakdown of the law, more sweeping than most, for your entire study process. For more than thirty years, Emanuel Law Outlines have been the most trusted name in law school outlines. Here's why: Developed by Steve Emanuel when he was a law school student at Harvard, Emanuel Law Outlines became popular with other law students and spawned an industry of reliable study aids. (Having passed the California bar as well, Steve Emanuel is now a member of the New York, Connecticut, Maryland, and Virginia bars.) Each Outline is valuable throughout the course and again at exam time. Outline chapters provide comprehensive coverage of the topics, cases, and black letter law covered in the course and major casebooks, written in a way you can easily understand. The Quiz Yourself Q&A in each chapter and the Essay Q&A at the end provide ample opportunity to test your knowledge throughout the semester. Exam Tips alert you to the issues that commonly pop up on exams and to the fact patterns commonly used to test those items. The Capsule Summary an excellent exam preparation tool provides a quick review of the key concepts covered in the course. The comprehensive coverage is more sweeping than most outlines. Each Emanuel Law Outline is correlated to the leading casebooks. Every title is frequently updated and reviewed against new developments and recent cases covered in the leading casebooks. Tight uniformity of writing style and approach means that if you use one of these guides, you can be confident that the others will be of similar quality.

#7521 in [Books > Textbooks > Law](#)

Customer Reviews

After reading just the removal section (pages 158-163) of the 25th edition of Steve Emanuel's Civil Procedure outline. I have come to notice that it lacks updates in the law. The Federal Jurisdiction and Venue (and Removal) Clarification act of 2011 is not even mentioned and the book cites a few outdated examples of case law. Furthermore, on page C-45 and elsewhere, the time for denial of a Rule 12 motion is now 14 days, not 10 as that rule was amended in 2009. (Committee Notes on Rules--2009 Amendment - The times set in the former rule at 10 or 20 days have been revised to 14 or 21 days) On page 193, the book states that the defendant gets 60 days rather than 20 days to answer. (The correct rule is 21 days). There are a lot of timing errors in this book. I feel that this book quickly thrown together to make \$\$\$ on the law students who are taking the 2015 bar exam. The litany of errors is not what I have come to expect from such a respected author. I am a bit disappointed by this as I am sure others will feel the same. However, most of them won't notice. There is some reference to recent Supreme Court precedent from 2009 and the changes are noted. (12(b) motions in the pleadings section) While Emanuel is usually very good, you might get a little more out of reading the updated rules online (<http://www.law.cornell.edu/uscode/text>).

I used this for an 8 hour final this past week and was SO glad I did! I bought the "Crunch Time" version for my 8 hour con law final 2 days later and was kicking myself the entire time. If you have the time to read through this book (or even just sections of it for a final as I did) it is definitely worth it. I don't know that I would recommend a book like this for a simpler subject like torts, but I felt much more confident being able to check my answers, knowing I wasn't forgetting to cross-reference another rule that I hadn't remembered, etc. With all the reading law school gives to begin with, I wouldn't use this during the semester, but I definitely plan on using the full Emanuel books in the future for all my 8+ hour exams! Highly recommend it.

It was helpful to read the summarized chapter before by class reading. it helped be have baseline understanding and made the class reading easier.

A good book. It stands alone as a useful text and as a good reference. I own the Kindle version. Law school is a lot of reading. What a joy it is to have the book read to you. It's obviously a little slower than reading it on your own, but when there are times when it's hard to focus it's great to have it read.

Emanuel does a nice job on the black letter law. The book is well organized, and useful for cramming up for an exam, or reviewing black letter concepts. I prefer his Crunchtime series for exam prep because they are more concise.

I like this supplement as it is a good review of the concepts in a logical format. If you are really in a jam and need to learn fast, I might think about their crunchtime series. I have those as well.

See Star

It helped me study and understand the class lectures and exam
