## Customer Reviews

The Canadian Living Test Kitchen creates and tests thousands of recipes every year to ensure that they turn out as perfectly in your home as they do in our kitchen. We develop each recipe with you in mind by using everyday ingredients and only the most common cooking equipment found in households across Canada. This makes cooking easier on you, leaving you more time to share

good food with family and friends.

Wonderful updated Canadian recipes. Good format, easy and straight forward to follow. Instructions are good so recipes come out well--the pork pie (reveillon tourtiere) and double coriander lamb racks are outstanding.

Great magazine if you can get a subscription and this book is a great addition to the cookbook bookshelf.

Very nice book
