This book is exactly what I've been looking for. was a lot depressed before. I did not know how to manage everything in my life. It was getting messy everyday and I knew that I had to do something to organize everything and go according to a systematic order. This is a good book in teaching you ways on how to start decluttering your life and surroundings so you can achieve a more peaceful and organized living. This book will help you to organize your life and your surroundings in a very good way. I have never thought that I will be able to get over everything and start an organized life. All credit goes to the author.

This is an excellent book on Organization. All of the things, tips and guides that I need to know about The Art of Clean- Organizing Techniques and Stress Free Life Management are already included and well written inside. Victoria Higgins has done an incredible awesome job in compiling and creating this book. Also the unique part of this book is the compilations of the "The best way to use storage containers & Stress relief through proper planning and prioritization". Very informative, useful and well explained. The book is worthy of attention!

This is a great book that will help you get organized and keep your house clean at all time. It shares a little but rather life changing tips and tricks. I especially like the part when the author writes about organizing your office. We spend so much time at our workplace and it can influence our mood quite a lot if we work at a messy place. Overall, I think this is a good book for anyone that wants to get more organized in all aspects of his day to day life.

I am a very organised person, anything that will help me with this or destress my life is a bonus. Some basic techniques to get you started and the right tools to help you with the job. This book covers all the bases you need it too. I would actually recommend this book to anyone who is messy that you know, may be our kids or significant other ?? The declutter sections is great for house clear-outs and the storage chapter actually helped to me better store the things I have! Even has a bit at the end about tiny houses and how they are built.

I guess I already found the perfect book for me. I should really thank my friend who recommended

to purchase this book because nothing can be more useful in my life than this. I have always been tired seeing the house in a mess. Dust there, clutter everywhere! The book really made me realize how important it is to declutter. You start inside your house first, then in your life. When you start to declutter, everything will just go with it. Clutter-free house, clutter-free life!

This is a good book in teaching you ways on how to start decluttering your life and surroundings so you can achieve a more peaceful and organized living. his book also hits on how avoiding distractions is so critical to your productivity. I learned that ultimately, organization and productivity go hand in hand. This is such a well-written book and it was really helpful to me. Would recommend this book to anyone!

This is such an informative book. It has so many tips and suggestions on how I can achieve the goal of decluttering. It is very important to organize things at home and for me I find it hard since I have two kids who are very playful. In this book you'll learn all about how you can get yourself organized with ease. Organizations is very important and can help you love a healthier lifestyle. Loved the book!!!

Organizing the home and cleaning the house is not so easy when you have naughty kids around and we have been facing the same. This Book gave a great Idea about organizing the house in simple steps like basic quick clean techniques, getting rid of clutter, keeping out the clutter, making chores easy, How to use the Storage container, Organizing the rooms, Managing Your life and much more. I would recommend this book if you are too busy or You have small kids .
