# Homestyle Icelandic Cooking For American Kitchens

## Synopsis

Whether you're looking to connect with your roots, try something new or already love Icelandic cooking, this book is a must for your cookbook shelf. This is a collection of 25 traditional everyday Icelandic recipes, translated with step-by-step instructions. These are some of the simple classic favorites that truly reflect the home-style Icelandic flavors and heritage.

## Customer Reviews

I was planning to write a recipe book of some of my favorite Icelandic foods from my childhood, but Ms. Herman beat me to it! Her story at the beginning is my story and now I continue the baking traditions my Icelandic mother so lovingly taught me. This is a great little book for anyone wanting to enjoy a taste of Iceland!

Whoever wrote this book, did not know the Icelandic language well. The person who proof read it

should be ashamed. I would have returned the book, except it was too tempting for me to correct the errors. I am giving it two stars because of the recipes, even though some were named incorrectly. For example: brown potatoes are actually browned potatoes, ( BrÃ°naÃ°fÃ° ar kartÃ¶flur en ekki brÃ°nar kartÃ¶flur). Vert disappointing.

There are fewer precipices than I had anticipated, with a fair amount of focus on desserts. Other than that, I have to say that I really like it!

Very good recipes with easy to follow instructions

Loved this book! I also got one for my daughters

I love this Icelandic Cook Book that I can actually read and understand :-)! Each recipe has a picture which is wonderful, especially when mine turn out looking the same :-). The Kleinur tastes exactly like what we remember having in Iceland! (However, we did have to add 2 cups extra flour to achieve the right consistency to roll out...maybe due to our high altitude?) Looking forward to trying out all the recipes, especially the delicious looking desserts!
