Summary Of Born A Crime: Stories From A South African Childhood By Trevor Noah

Synopsis

Please note: This is a summary and not the original book. Count your blessings every single day. Trevor Noah never had an easy life growing up. Growing up as the son of an illegal birth, Trevor had to be hidden away every time and his existence should never be known. Born a Crime is Trevor Noah's brave and inspiring journey towards adulthood as he was finally liberated by the end of South Africa's tyrannical white rule. How did a boy who has been running and hiding away all his life manage to achieve such great success? "Often, people who can do, don't because they're afraid of what people that can't do will say about them doing." (Trevor Noah) Born a Crime is a book of a mischievous boy's journey towards greatness. Filled with emotions, Born a Crime made it to become the number-one New York Times best-seller. This inspirational and compelling story will never let you down. PS: Feeling unmotivated and lost with your life? Harness the power of gratitude and realize how great your life already is with this book!

Customer Reviews

Summary is enlightening to make me purchase the original book. Definitely looking forward to reading it and sharing with a friend.

Didn't finish because I bought the book instead

This is not Trevor Noah's book. What a scam!

this "Summary" was the most ridiculous garbage I've read in a long time: the grammar was bad, the summations of the chapters sounded like a child wrote them. I don't even want to buy the book now. You've done an injustice to the author.

Waste of money. Don't buy it

THIS IS NOT THE AUDIO BOOK. ITS A FREAKING SUMMERY. WHY THE HECK WOULD ANYONE EVER WANT TO BUY THAT? TOTAL SCAM. TRYING TO GET MY MONEY BACK. THIS IS 45 MINUTES LONG AND READ BY SOME WEIRD GUY, NOT NOAH.

A MUST READ "or better yet listen to Trevor Noah read the story of his childhood in South Africa. He was an crime. His mother was black, his father was white and that was illegal. Bill Gates is right. This is one of the best books to read this summer.

SCAM. How can you steal the original book's cover art for a totally unrelated item you are selling via "billionaire" publishing? BUY THE ORIGINAL BOOK BY TREVOR NOAH. It's fantastic.
