Customer Reviews

My son is into the Lion Guard and he's in pre-K so this book was a perfect fit for him. It keeps his attention because it's written just like the episode we watched together. He gets very excited when I read it to him and I'll be even more excited when he reads it back to me one day. I'll definitely purchase more of these readers since they hold his attention. I would highly recommend to this book to any young Disney fan.

Cute little book. Perfect gift for a toddler who loves lion guard

My son loves this tv show, so I figured this book would be a hit. There was no effort made to turn the tv episode into an enjoyable readable book. It's a jerky awkward play by play of the tv show that

doesn't flow well.

My sons loves this book, it's all torn up now from reading it so often (they are 1 and 3). They even follow along when I play the episode on Disney jr.

My son loves kion and this encouraged him to practice reading. Cute story matches the episode perfectly.

Wonderful books from the Lion Guard series. My grandkids love the tv series and they love the books too.

My daughter loves it! It's easy to read.

Great for young children.
