Sexualities: Identities, Behaviors, And Society

Synopsis

Featuring a variety of readings, this interdisciplinary anthology addresses such key questions as: How are sexualities socially constructed? Why are sexualities more than just natural "urges" or "drives"? and How are sexualities personal, social, and political? *Sexualities: Identities, Behaviors, and Society*, Second Edition, focuses on gender, using multiple disciplines, international populations, and theories to explore sexualities. Edited by Michael Kimmel and the Stony Brook Sexualities Research Group, the readings--including several written specifically for this volume--will grab students' attention. Topics range from the motivations of X-rated movie stars to vibrator use to gendered sexual fantasies. The text considers same-sex orientation, people of color, and global populations throughout.

Customer Reviews

"This reader's strengths are its interdisciplinary approach, its accessibility to an undergraduate, non-social science classroom, and its up-to-date information towards quickly evolving sexual issues."--Traci Abbott, Bentley University

Michael Kimmel is Distinguished Professor of Sociology at Stony Brook University, State University of New York. A leading researcher and writer on gender and men and masculinity, he is the author or editor of numerous books and articles including *The Gendered Society [Text and Reader]*, Fifth Edition (OUP, 2013), *Manhood in America: A Cultural History*, Third Edition (OUP, 2012), *Angry*

White Men: American Masculinity at the End of an Era (2013), and Guyland: The Perilous World Where Boys Become Men (2009).

Arrived in good condition thanks!
