## Customer Reviews

On January 14, 2010 I was officially enrolled at Oral Roberts University at the age of 49. During the final year as a senior studying for a social work degree, the adviser stated that we would have to take a ASWB Exam to practice in any state. Now at 53 with a Bachelor's Degree in social work, I was looking for the right study guide. So I had great results with my Prime, and decided to purchase the ASWB Bachelors Study Guide. And what a blessing it has been. It's easy to comprehend, great test strategies, and the practice test questions are spot on. I will register for my exam in August with a successful amount of knowledge, skill, and ability to pass the exam and raise my score. All thanks to Test Prep Books. Sincerely, Donna Marie Wells

I have taken the test once and had used a couple other tools so I have this one to compare it to. This book is very in depth and has useful tips (taking the test once I wish I would have had someone tell me these tips before) As I read through the book and it going over "common mistakes made by test takers" I can remember doing some of these mistakes..

The study guide is very helpful, refreshes my memory from school.

This book is awesome. Its well organized and touches all parts of the test.

If you are studying for your LSW this is the book you need.

I have really loved the book and how it breaks everything down into understandable terms. It has been a huge help and I feel far better prepared.

Awesome study guide!

This book is very informative
